Information Letter 1

Dear colleagues!

We are glad to invite you to take part in the VII International Scientific Conference «Problems in Nature Management and the Ecological Situation of European Russia and Adjacent Countries», which will take place in **Belgorod 24 - 26 October 2017**

The conference includes the following sections:

1. Nature Management and Sustainable Development

- 1.1. International cooperation in the field of nature management
- 1.2. Sustainable development of the regions
- 1.3. Economics and nature management
- 1.4. Rational use of natural resources
- 1.5. Environmental monitoring

2. Ecological Problems and Situations

- 2.1. The impact of climate change on the environment and economic activity
- 2.2. Ecodiagnosics and ecological mapping of territories
- 2.3. Transboundary environmental problems
- 2.4. Changes with time of geosystems under the influence of natural and anthropogenic factors

3. New Technologies in Nature Management

- 3.1. Geographic and environmental information systems. Remote Sensing
- 3.2. Perspective technologies for environmental protection and rehabilitation of geosystems
- 3.3. Recycling of production and consumption wastes

4. Engineering and Ecological Problems of Subsoil

- 4.1. Ecological aspects of mining, geology and hydrogeology
- 4.2. The monitoring of the geological environment
- 4.3. New technologies of subsoil

The application form for participation in the conference should be sent **before 15 July 2017**, in electronic form to the address: geoeco_conf@bsu.edu.ru

The deadline for submission of materials for publication (article or abstract of the report) **until 1 August 2017**

Contact tel . (4722) 30-13-00*21-77 – Secretary of the Organizing Committee,
Dr. Pavel V. Goleusov

(4722) 30-11-70 – Dean's Office of the Faculty of Mining and
Natural Resource Management.

Fax: (4722) 30-11-74 – Dean's Office of the Faculty

Web-page for the conference: http://ggf.bsu.edu.ru/Conferences/Conf_10_2017

Correspondence with authors, the organizing Committee will be conducted only by email.

Languages of the conference are **Russian, English**

The publication of the conference proceedings will be sent to the Central Star Scientific Library of Russia and will be available in the database of the Russian Institute index of scientific citing (RISC).

Publication of materials for foreign participants is free.

Travel expenses and hotel accommodation will be paid by conference participants.

Submission of publications

- Each participant can be an author or co-author for only two publications in conference proceedings, and not more than one as the first author.
- The volume of material for publication should be less than or equal to five pages of text with size A4 (210×297 mm).
- Materials for publication should be submitted in electronic form using the file formats Microsoft Office Word (*.doc; *.docx).
- Font must be Times New Roman, size 12 pt, no hyphenation, no footers, no footnotes; single line spacing, indent the first line of paragraph – 1.27 cm; margins – 2.5 cm.
- In the top left corner is placed the UDC (determined by the author independently).
- The title must be in capital Clarendon letters, align text using center justification; the following line is the surname and initials of the author (authors) using Clarendon font, centered, below, the full organization name, city, state, (italic, centered).
- Text must be separated from the title by a single line.
- Fully edited tables, graphs, and images should be placed in the text (JPEG, resolution at least 300 dpi) in fully edited form, given the fact that the conference proceedings will be published in black-and-white.
- The equations must be typed in Math Type, and a full transcription of all the symbols should appear in the text.
- The list of references prepared in accordance with the above requirements is placed in at the end of the article, or thesis; for abstracts, the bibliography is not required.
- Materials for publication should be sent to the Organizing Committee in edited form, the authors are responsible for the accuracy of the data presented.

Below is the application form for participation in the conference.

APPLICATION

(to be completed by each participant)
for participation in the VI International Scientific Conference
«**Problems in Nature management and the Ecological Situation
of European Russia and Adjacent Countries**»

Form of participation (underline one of these options):

- presentation of a report;
- participation in the conference without presenting a paper (accompanied by the speaker);
- correspondence participation (publication).

Information about participant

Surname, name _____
The section of the conference _____
The topic of the report (article) _____
Co-authors _____
Organization _____
Specialty (academic rank, degree) _____
The post _____
Address _____
Phone _____
Fax _____
E-mail: _____
Need for hotel _____ (Yes/No)

The file name of the application materials for publication must contain the surname of the first author and the name of the city, for example: Smith_Chicago_application.doc, Smith_Chicago_abstract.doc.
